

ES-TE BERLIN

estestack 1000

Connects to your wide format printer:

- Professional, curl-minimizing and accurate stacking of all sorts of wide media
- Increase your productivity through unattended printing
- Your high quality prints do not belong in a "catch bag"

Advantages:

- Oversized wire rack even for extra long prints.
- Integrated heating unit to straighten out curled edges.
- Temperature levels for CAD/ GIS applications as well as for Photo/ Poster applications are available at the push of a button.
- Processing all sorts of Wide-Media e.g.: PPC, Ink Jet, Coated, Glossy.
- Connectable to all major wide format printers e.g.: HP, Canon, Océ, Xerox, KIP.
- Just place it behind your printer and start "estestacking".
